

St. Patricks Caledonia Roman Catholic Church

Cemetery Board

The St. Patrick's cemetery provides a final resting place for Catholics in the Caledonia and Hagersville area.

While it is intended for Catholics who live in the community, arrangements may be made for family members living elsewhere and for those who may have lived in Caledonia at one time, but have since relocated.

Situated just south of the Grand River on Lanark Street, St. Patrick's cemetery provides a quiet environment that is well maintained and cared for.

The cemetery is operated by a Cemetery Board that is made up of Parish volunteers and the Parish priest.
